

Fair Housing Discrimination, Scrum Report - Week 2		
Team # 2	Question	Answer
Sophie Marugg (Team Rep)	What have I worked on?	This week I worked on facilitating a group meeting so we could all figure out what our roles will be going forward to prepare for the Deliverable 1. We have all figured out what we are wanting to work on next week and we are beginning to find other data to go through. I have started reading through the data on mortgages and redlining to begin synthesizing everything to see patterns of discrimination in lending.
	What will I be working on next?	I'll be working next week on synthesizing data sources specific to our essential question.
	Have I run into any issues? Do I need	No help needed so far.
	Team Lead/Rep: Have I talked to the client recently? When are we meeting with them next?	We haven't had our first meeting yet, but we are having our kickoff meeting Tuesday.
Student Name  Brian Li	What have I worked on?	
	What will I be working on next?	Briefing through the datasets and outlining what features would be helpful
	Have I run into any issues? Do I need	Haven't run into issues yet
Student Name  Haiwei Sun	What have I worked on?	
	What will I be working on next?	Collect data from the Property Assessment
	Have I run into any issues? Do I need	I'm confused about the way of analyzing the data and what effect they can make
Student Name  Daniel Celaj	What have I worked on?	
	What will I be working on next?	Getting a more concrete idea of the kind of data we'll be analyzing and What statistical info would be best to calculate
	Have I run into any issues? Do I need	None so far
